

Foresight Gardening Enterprises CIC

Role Description

Role Title:	Volunteer Gardener
Responsible to:	Project Supervisor
Where (Location):	Primary location will be Teignmouth Walled Garden but other locations may also be used for training and delivery purposes
Time commitment:	Dependent on availability. Where possible, volunteering should be on a regular basis to enable us to plan work activities
Role description:	We will provide a wider range of gardening experiences. Our aim is to include our volunteer gardeners in all aspects of Foresight's work.
Main tasks:	<p>All gardening tasks including:</p> <ul style="list-style-type: none">• Preparation of the site for planting• Propagation• General garden maintenance <p>All tasks will be allocated based on ability, but where possible, will include skill development opportunities</p>
Required skills, qualities and experience	<p>No skills are required. Tasks will be allocated based on ability but our aim is also to help gardeners to develop their skills and knowledge.</p> <p>In terms of qualities, we are looking for people who are willing to work in an inclusive environment and who are committed to the aims of Foresight Gardening Enterprises.</p>

Training and support available:	Most training will be provided on site, but where funding allows, we will also provide external training to help develop horticultural skills and knowledge.
Any other Requirements	Whilst the gardening opportunities are designed to meet the needs of visually impaired people, the role is open to anyone.
Recruitment process:	All applicants must complete an application form (see website) and will then be invited to an informal interview.
Date role created:	June 2016
